In Collaboration With

Overview of Sessions and Presentations for Abbott Global Care Initiatives and Key Partners

XV International AIDS Conference

Bangkok, Thailand; July 11-16, 2004

picturing hope A Photo Exhibit by Children

Picturing Hope is a project that helps orphans and vulnerable children impacted by HIV/AIDS share their hopes and dreams through photography. The photos were taken by children from Burkina Faso, India, Mexico, Romania and Tanzania and can be seen at Booth 21 in the main Exhibit Hall. Step Forward underwrote this program.

XV International AIDS Conference

Bangkok, Thailand; July 11-16, 2004

www.abbottglobalcare.org

Through its Global Care Initiatives – Step Forward, Tanzania Care, Determine® HIV Testing Donation Program and Abbott Access – Abbott Laboratories and the Abbott Laboratories Fund work closely with governments, nongovernmental organizations (NGOs) and industry partners to create programs to fight AIDS in the developing world. In collaboration with Axios Foundation, Baylor College of Medicine, the International HIV/AIDS Alliance, and the governments of Tanzania and Burkina Faso, Abbott is pleased to present this overview of oral sessions, poster presentations, CD-ROM abstracts and satellite sessions at the XV International AIDS Conference.

Overview of Sessions and Presentations for Abbott Global Care Initiatives and Key Partners

XV International AIDS Conference—Bangkok, Thailand; July 11-16, 2004

Monday, July 12, 2004

Relationships Between Policies and Programs

Holistic and sustainable HIV/AIDS impact mitigation for the poor in rural Burkina Faso; Results and lessons learned from the Konki-Ipala pilot project, Burkina Faso

Presenter: H. Van Renterghem – IHAA **Poster: WePeE6925**

Street Children and AIDS

Location: IMPACT Exhibition Center, Hall 3 12-2PM

Towards understanding the phenomenon of street children, India

Presenter: D. Meher – IHAA **Poster: WePeD6581**

Socioeconomic and Emotional Problems of CAA not Recognized by Society

Location: IMPACT Exhibition Center, Hall 3 12-2PM

Promotion of community-based support system for CAA, India

Presenter: S. R. Thangaiah – IHAA **Poster: WePeD6583**

Community-Based Care and Support Programs

Location: IMPACT Exhibition Center, Hall 3 12-2PM

Experience of working with vulnerable and affected children, India

Presenter: D. Bajaj – IHAA **Poster: WePeD6598**

Media Panel: Overcoming Barriers to Access

Expanding Care and Treatment for Children in the Developing World
Elizabeth Glazer Pediatric AIDS Foundation

Location: Session Room C 1PM to 2PM

Panelist: Dr. Mark Kline – Baylor: A Medical In-Country Perspective on Care and Treatment for Children with HIV/AIDS

Thursday, July 15, 2004

Oral Session

Psychosocial Support Programs for Children
Location: Session Room K 11AM

The need for and benefits of psychosocial support interventions within programs for children affected by AIDS, Romania

Presenter: A.M. Constantin – Centrul de Copii Romano-American – Baylor
Oral: ThOrD1381

Saving the Newborns and Looking Beyond for All

Location: IMPACT Exhibition Center, Hall 3 12-2PM

A health systems approach to antiretroviral therapy in Tanzania

Presenter: U. Hoekstra – Axios **Poster: ThPeB7134**

Management reforms as a key element in ensuring high quality care: Experiences from Muhimbili National Hospital, Tanzania

Presenter: A. Swai – Axios **Poster: ThPeB7157**

Scaling up care and HAART programs in developing countries: Access to HIV care program (AHCP) experience

Presenter: T. Wistar – Axios **Poster: ThPeB7135**

Expanding prevention of mother-to-child transmission of HIV in developing countries: Results from the PMTCT donation programs (DVDP)

Presenter: M. H. Besson – Axios **Poster: ThPeB7026**

Harmonizing supply and demand for treatment in developing countries through an innovative network and cooperation among pharmaceutical companies, governments and health care institutions

Presenter: S. Muyingo – Axios **Poster: ThPeB7234**

Research, Monitoring and Evaluation of Program and Policies

Location: IMPACT Exhibition Center, Hall 3 12-2PM

OVC in big cities: Special challenges for an intervention program in Dar es Salaam, Tanzania

Presenter: M. Nzima – Axios **Poster: ThPeE8094**

Out-of-school youth as community mobilizers – an innovative method of involving OVC in community communication in Muheza, Tanzania

Presenter: A. Balthazar – Axios **Poster: ThPeE8079**

Social and Economic Issues/Innovations and Interventions

Location: IMPACT Exhibition Center, Hall 3 12-2PM

Creating local participation for sustained results in community care and CABA programs in India

Presenter: D. Bajpai – IHAA **Poster: ThPeD7801**

Lack of Acceptance of PLWAs by the Community

Location: IMPACT Exhibition Center, Hall 3 12-2PM

Community-based care and support for PLWA, India

Presenter: S. R. Thangaiah – IHAA **Poster: ThPeE8152**

Oral Session

Community Support to PLHA
Location: Session Room H 3PM

Promoting self support as a strategy for reinforcing community support to PLHA: The experience of IPC/BF in Burkina Faso

Presenter K. Soulama – IHAA **Oral: ThOrE1437**
